GUIDANCE FOR THE MARKING OF REFEREES

The mark awarded by a Club must be based on the referee's overall performance. It is most important that the mark is awarded fairly and not based on isolated incidents or previous games. The referee's performance should be determined by the table below which should act as a guide for the overall mark which should fall within the mark range for each standard of performance.

Notes

- * Using a scale of up to 100 allows greater flexibility for Clubs to distinguish between different refereeing performances more accurately.
- * A mark within each mark range can be given to reflect the referee's performance e.g. a mark of 79 indicates a somewhat better performance than a mark of 71.
- * A mark between 71 and 80 represents the standard of refereeing expected.
- * When a mark of 50 or less is awarded, an explanation must be provided to the League or Competition. It must include comments which could help improve the referee's future performance. Even where a Referee has significant shortcomings there will have been some positive aspects which should be given credit. Extremely low marks (below 20) should be very rare.

How to decide on the Referee's Mark

The following questions focus on the key areas of a referee's performance. They are intended as an 'aide memoire', are not necessary comprehensive and need not be answered individually. It is however, worth considering before committing yourself to a mark for the referee.

Control & Decision Making

- * How well did the referee control the game ?
- * Were the players' actions recognised correctly ?
- * Were the laws applied correctly ?
- * Were all incidents dealt with efficiently/effectively ?
- * Were all the appropriate sanctions applied correctly ?
- * Was the referee always within a reasonable distance of incidents ?
- * Was the referee well positioned to make critical decisions, especially in and around the penalty-area ?

- * Did the referee understand the players' positional intentions and keep out of the way accordingly ?
- * Did the referee demonstrate alertness and concentration throughout the game ?
- * Did the referee apply the use of advantage to suit the mood and temperature of the game?
- * Was the referee aware of the players' attitude to advantage ?
- * Did the referee use the assistants effectively?
- * Did the officials work as a team and did the referee lead and manage them to the benefit of the game.

Communication & Player Management

- * How well did the referee communicate with the players during the game?
- * Did the referee's level of involvement/profile suit this particular game ?
- * Did the referee understand the players' problems on the day e.g. difficult ground/weather conditions ?
- * Did the referee respond to the changing pattern of play/mood players ?
- * Did the referee demonstrate empathy for the game, allowing it to develop in accordance with the tempo of the game ?
- * Was the referee pro-active in his/her controlling of the game ?
- * Was the referee's authority asserted firmly without being officious ?
- * Was the referee confident and quick thinking ?
- * Did the referee appear unflustered and unhurried when making critical decisions ?
- * Did the referee permit undue questioning of decisions ?
- * Did the referee deal effectively with players crowding around after decisions/incidents ?
- * Was effective player management in evidence ?
- * Was the referee's body language confident and open at all times ?
- * Did the pace of the game, the crowd or players pressure affect referee negatively ?

Final Thoughts

- * Always try to be objective when marking. You may not obtain the most objective view by marking immediately after the game.
- * Judge the performance over the whole game. Don't be too influenced by one particular incident.
- * Don't mark the referee down unfairly because your team was unlucky and lost the game or some disciplinary action was taken against your players.
- * Always answer all correspondence when directed.
- * Only telephone League officers between 6 p.m. and 9 p.m. when urgent advice or assistance is required.

First Aid

The Home Club shall ensure that a fully stocked First Aid Box is available and that a qualified First Aider is in attendance.

Referee's Fees

The Referee's Fee inclusive of travelling expenses shall be £45. The fee for Assistant Referees when appointed shall be £30 inclusive of travelling expenses.

In the event of a match not being played because of circumstances over which the Clubs have no control, the Match Officials, if present, shall be entitled to a fee of £26 for the Referee and £19 for an Assistant Referee.

Club Assistant Referee

An award is made annually to the Club Assistant Referee who obtains the highest average mark in North Berks League matches. Club Assistant Referees shall ensure that the officiating Referee is made aware of his name so that an assessment of his performance can be made and passed to the Hon Referees Secretary, who will collate the marks to determine the eventual winner. All referees in all North Berks fixtures should submit the marks on their Match Result Cards.

The North Berks League Management Committee fully supports the worthwhile scheme that encourages regular participation of Club Assistant Referees and undoubtedly increases the competency of individuals for the benefit of North Berks Football in general.

Repeated Substitutions

In All NBFL Competition fixtures, the following applies:

A club, at its discretion, and in accordance with the laws of the game, may use five (5) substitute players who may be selected from five (5) players.

A player who has been substituted himself, becomes a substitute and may replace another player at any time, subject to the substitution being carried out in accordance with Law 3 of the Laws of Association Football

A fee of £26 for a Referee and £19 for an Assistant Referee to be paid if a fixture is not played because of circumstances over which Clubs have no control.
- Contraventions of rules to be reported to the Referees Secretary on the Referees Match report card available through the League website.

STANDARD CODE OF RULES

This document contains the Standard Code of Rules developed by The Football Association for open age football (the "Standard Code").

The Standard Code is mandatory for all Competitions at Regional NLS Feeder League level and below, and Tier 7 and below of The FA Women's Pyramid.

Competitions seeking sanction must draft their Rules in conformity with the Standard Code, using the same numbering and standard headings.

The mandatory rules are printed in normal text and the optional rules in italics.

It should be noted that in many cases rules are so printed because they are alternatives and the procedure to apply should be retained and the others omitted.

In all cases where a [] is shown the necessary name, address, number or wording to complete that rule must be inserted.

Competitions may add to the core of the Standard Code, which is mandatory, providing the additions are approved by the Sanctioning Authority and do not conflict with the mandatory rules or any relevant principles and policies established by The FA.

Guidance from the Sanctioning Authority should be sought in advance if there is any doubt as to the acceptability of additional rules.

CHILD PROTECTION

1. Any act, statement, conduct or other matter which harms a child or children, or poses or may pose a risk of harm to a child or children, shall constitute behaviour which is improper and brings the game into disrepute.
2. In these Regulations the expression "Offence" shall mean any one or more of the offences contained in Schedule 1 to the Children and Young Persons Act 1933 and any other criminal offence which reasonably causes The Association to believe that the person accused of the offence poses or may pose a risk of harm to a child or children.
3. Upon receipt by The Association of:
 - 3.1 notification that an individual has been charged with an Offence; or
 - 3.2 notification that an individual is the subject of an investigation by the Police, Social Services or any other authority relating to an Offence; or
 - 3.3 any other information which causes The Association reasonably to believe that a person poses or may pose a risk of harm to a child or children then The Association shall have the power to order that the individual be suspended from all or any specific football activity for such period and on such terms and conditions as it thinks fit.
4. In reaching its determination as to whether an order under Regulation 3 should be made The Association shall give consideration, inter alia, to the following factors:
 - 4.1 whether a child is or children are or may be at risk of harm;
 - 4.2 whether the matters are of a serious nature;
 - 4.3 whether an order is necessary or desirable to allow the conduct of any investigation by The Association or any other authority or body to proceed unimpeded.
5. The period of an order referred to in 3 above shall not be capable of lasting beyond the date upon which any charge under The Rules of The Association or any Offence is decided or brought to an end.
6. Where an order is imposed on an individual under Regulation 3 above, The Association shall bring and conclude any proceedings under the Rules of The Association against the person relating to the matters as soon as reasonably practicable.
7. Where a person is convicted, or is made the subject of a caution in respect of an Offence, that shall constitute a breach of the Rules of The Association and The Association shall have the power to order the suspension of the person from all or any specific football activity for such a period (including indefinitely) and on such terms and conditions as it thinks fit.
8. For the purposes of these Regulations, The Association shall act through its Council or any Committee or Sub-Committee thereof, including the Board.
9. Notification in writing of an order referred to above shall be given to the person concerned and/or any Club with which he is associated as soon as reasonably practicable.

The applicable standard of proof shall be the civil standard, of the balance of probability. The more serious the allegation taking into account the nature of the misconduct alleged and the context of the case the greater the burden of evidence required to find the matter proved. Save that for charges pursuant to The Football Association's Child Protection Policy, where the welfare and protection of children shall be paramount and the test shall be whether more likely than not.

Where a person is convicted, or is made the subject of a caution in respect of an Offence, that shall constitute a breach of the Rules of The Association and The Association shall have the power to order the suspension of the person from all or
